FEAST OF ST. HUBERT, (3 NOV.): BLESSING OF HUNTERS

St. Hubert is venerated as the patron of hunters, because it was when he was out hunting, rather than attending Good Friday liturgy at Church, that he saw a buck with a Crucifix between its antlers. He got the message, and had a conversion. He went to the Bishop, St. Lambert, for forgiveness, and became a priest. Later he was chosen to succeed St. Lambert as Bishop of Maastricht. He moved the see to Liege, and built a shrine for the relics of St. Lambert. He rooted our idol worship in his diocese, and became famous for miracles. He died in 727.

After each Mass this weekend, hunters are asking to kneel at the altar rail to receive a blessing through St. Hubert, and a medal to take with them into the woods.

HOPE APPEAL 2019 COMING TO A CLOSE 30 NOV.

If you have not yet made a donation to this year's HOPE Appeal, please consider doing so now. The Campaign will end on 30 November, and of course, the Diocese would like our donations in before then in order to calculate the final results of this year's HOPE Appeal. So far, 124 of our parishioners have contributed. That means that about 100 have not done so, which is unusual for this parish. Please consider doing your part, and use one of the envelopes on the table in the vestibule to make your contribution. You can put it and your donation in the collection basket on 9-10 Nov. or 16-17 Nov.. Thank you and God bless you.

BISHOP ATHANASIUS SCHNEIDER'S PRAYER OF REPARATION FOR THE AMAZON IDOL WORSHIP.

This heroic Bishop, the Auxiliary Bishop of Kazakhstan, has written a heartfelt prayer of reparation to the most Holy Trinity for the offense of the demon-idol worship that was conducted in the Vatican during the Synod. The prayer is printed on the back page of this bulletin.

Also, do not miss the article by Msgr. Charles Pope in this week's Register, which summarizes so powerfully why any faithful Catholic should be praying intensely that the Pope will not adopt the recommendations of this Synod.

ONE FAITHFUL BISHOP'S PRAYER OF REPARATION
for the abominations of the Synod on the Amazon

Most Holy Trinity, Father, Son and Holy Spirit, receive through the hands of the Immaculate Mother of God and ever-Virgin Mary from our contrite heart a sincere act of reparation for the acts of worship of wooden idols and symbols, which occurred in Rome, the Eternal City and the heart of the Catholic world, during the Synod for the Amazon. Pour out in the heart of our Holy Father Pope Francis, of the Cardinals, Bishops, of the priests and the lay faithful, your Spirit, who will expel the darkness of the minds, so that they might recognize the impiety of such acts, which offended Your divine Majesty and offer You public and private acts of reparation.

Pour out in all members of the Church the light of the fulness and beauty of the Catholic Faith. Enkindle in them the burning zeal of bringing the salvation of Jesus Christ, true God and true Man, to all men, especially to the people of the Amazon region, who are still enslaved in the service of feeble, material and perishable things, as they are the deaf and mute symbols and idols of "mother earth", to all people and especially to the people of the Amazon tribes, who do not have the liberty of the children of God, and who do not have the unspeakable happiness to know Jesus Christ and to have in Him part in the life of Your divine nature.

Most Holy Trinity, Father, Son and Holy Spirit, you the one true God, besides Whom there is no other god and no salvation, have mercy on Your Church. Look especially upon the tears and the contrite and humble sighs of the little ones in the Church, look upon the tears and prayers of the little children, of the adolescents, of the young men and women, of the fathers and mothers of families and also of the true Christian heroes, who in their zeal for Your glory and in their love for Mother Church threw in the water the symbols of abomination which defiled her. Have mercy on us; spare us, O Lord, *parce Domine, parce Domine!* Have mercy on us: *Kyrie eleison!*

(Most Rev. Athanasius Schneider, is the Auxiliary Bishop of the Diocese of Kazakhstan. He has recently published a book "Christus Vincit: Christ's Triumph over the Darkness of the Age", a beautiful cry of hope in our times!)
