BISHOP LUCIA REMINDS US OF OUR OBLIGATION TO OBSERVE HEALTH DEPT. MANDATES

At our annual Clergy Conference a few weeks ago, the Bishop emphasized how necessary it is that we continue to follow the directives of the state in regard to the Wuhan virus. I know how unpopular these mandates are, and I certainly have reservations of my own about them, but I ask you to please follow them. As you know, violation of them could result in a fine for the parish, or even closure. So I ask you: to please wear a mask when you come to Mass; enter the Church by the front door, and leave by the side doors; sit only in the pews that are not marked with an X, and distance yourself from other parishioners, except for family "pods". God bless you, and good Lord, end these restrictions soon!

HOLY HOUR FOR VOCATIONS: SAT. 17 OCT. 7AM-8AM MOTHERS OF LU: Everyone is welcome to join us in praying for vocations to the priesthood and religious life.

MEAL TRAIN SIGN-UP: If you would like to prepare a meal for our homebound or new moms, there is a new list on the bulletin board for you to sign.

STATUE OF OUR LADY OF FATIMA FOR HOME VISITS: Sign up on the list on the bulletin board to bring the statue to your home to pray the Holy Rosary for vocations, for our nation and the Church.

SOME LIGHT FARE FOR A SMILE

In the beginning, God created the Heavens and the Earth and populated the Earth with broccoli, cauliflower and spinach, green and yellow vegetables of all kinds, so Man and Woman would live long and healthy lives. Then, using God's great gifts, Satan created Ben and Jerry's Ice Cream and Crispy Creme Donuts. And Satan said, "You want chocolate with that?" And Man said, "Yes!" and Woman said, "and as long as you're at it, add some sprinkles." And they gained 10 pounds. And Satan smiled. And God created the healthful yogurt that the Woman might keep the figure that Man found so fair. And Satan brought forth white flour from the wheat and sugar from the cane and combined them. And woman went from size 6 to size 14. So God said, "Try my fresh green salad." And Satan presented Thousand Island dressing, buttery croutons and garlic toast on the side. And Man and Woman unfastened their belts following the repast. God then said, "I have sent you heart healthy vegetables and olive oil in which to cook them. And Satan brought forth deep-fried fish and chicken-fried steak so big it needed its own platter. And Man gained more weight and his cholesterol went through the roof. God then created a light, fluffy white cake, named it "Angel Food", and said "It is good". Satan then created chocolate cake and named it "Devil's Food". God then brought forth running shoes so that his children might lose those extra pounds. And Satan gave cable TV with a remote control so Man would not have to toil changing the channels. And Man and Woman laughed and cried before the flickering blue light and gained pounds. Then God brought forth the potato, naturally low in fat and brimming with nutrition. And Satan peeled off the healthful skin and sliced the starchy center into chips and deep-fried them. And Man gained pounds. God then gave lean beef so that Man might consume fewer calories and still satisfy his appetite. And Satan created McDonald's and it's 99-cent double-cheeseburger. Then said, "You want fries with that?" And Man replied, "Yes, and super-size them." And Satan said, "It is good." And Man went into cardiac arrest. God sighed and created quadruple bypass surgery. Then Satan created the Health Care System. Amen.

(Thanks to Susanne Dunne for sending this to the Pastor for a wonderful laugh!)
