Req: Martha Glover  
9:30 AM For: Christopher Pilger (L.)  
Req: Cheryl Pilger  
11 AM For: Parishioners of OLGCC

### **JOSEPH'S HOUSE BABY BOTTLES DUE BACK TODAY**

Please bring your filled baby bottles to the sacristy after Mass today. God bless you for supporting this beautiful work of mercy and charity for the unwed mothers and their infants. If you did forget to bring your bottle back today, please do so as soon as possible.

### **PILGRIMAGE TO OUR CENTRAL NY SHRINES**

On Thu. 12 August we will make a pilgrimage by bus to the Shrine of Our Lady of the Martyrs in Auriesville, NY and to the nearby Shrine of St Kateri Tekakwitha in Fonda, NY.

We will leave from the parking lot of the **Rectory** at 8:30 AM and return at approx. 6 PM. Your Pastor has been asked to offer a Latin Mass at the Shrine at 11 AM for the Novena in preparation for the Assumption of Our Lady.

You will have to pack a lunch, since they no longer have a cafeteria at the shrine. This pilgrimage is open to parishioners only, please.

If you will go with us, please print your name on the list on the bulletin board, with only **one name per line, please.**

### **TRAINING FOR NEW ALTAR SERVERS**

Father will begin training boys for service on the altar during the month of August. Any boy who has made his First Communion and can handle the items that a server must handle is welcome to the training sessions.

### **USE OF THE SOCIAL HALL IN THE RECTORY**

As many of you know, the downstairs of the Rectory has two large "meeting" rooms, a kitchen, and two bathrooms. These are underused spaces, but make a convenient place for funeral luncheons, baptism receptions, family gatherings and the like. I would like to make this area available to our parishioners for their use for such events.

Naturally, we do not prepare any food ourselves, you would have to bring your food or have it catered. There are two stoves with ovens, burners and a grill in the hall.

If you think you would like to use the hall for a special occasion, please call the Rectory to see if it is available. There is no charge to parishioners for the use of the hall.

### **MASS INTENTIONS**

We are currently offering Masses that were requested in late 2019. In scheduling the Mass intentions, I generally do them in the order in which they were received, unless it is an anniversary or birthday intention, or some other special request. God bless you for your patience and understanding.

## **GATES FDN. DONATES \$1.4 BILLION FOR FAMILY PLANNING**

The Bill and Melinda Gates Foundation announced a donation of \$2.1 billion to fund “family planning” that includes abortions and contraceptives.

In a June 30 press release, the Gates Foundation touted its commitment to “advance women's economic empowerment, strengthen health and family planning, and accelerate women in leadership as women suffer disproportionately from the pandemic”.

The announcement was made during the Generation Equality Forum convened by UN Women that took place in Paris from 30 June to 2 July. The Gates Foundation committed \$1.4 billion of the \$2.1 billion to fund “family planning and women's health”. Previously, the Gates Foundation committed major funding for abortion and contraception overseas. In 2015, the foundation was suspected of forcing African women to take dangerous contraceptives in an attempt to control the population.

Melinda Gates has repeatedly claimed that contraception is necessary for women. “Since we made that promise, millions of unintended pregnancies have been avoided and thousands of lives saved,” she maintained.

The Foundation provides various abortion pills to third world countries and donates massive sums to Planned Parenthood, the largest abortion provider worldwide.

While the Foundation claims to support “family planning” through the use of contraceptives, they fail to explain how they will aid existing families and women who wish to have babies.

Conversely, the Gates Foundation openly funds many abortion industries, including Planned Parenthood and Marie Stopes International. The Gates Foundation also has a close affiliation

with the United Nations Population Fund (UNPFA), which has assisted with China's one-child policy.

The Gates Foundation has also purchased vaccines, spending billions on the GAVI Vaccine Alliance. It is behind vaccine programs worldwide, which include a push for mass vaccination against COVID-19 using experimental mRNA-derived and abortion-tainted formulas.
