In our Adult class we are discussing the account of Creation, our first parents and the Flood from the Book of Genesis. These subjects are very much misunderstood and denied by many today, so we are trying to give the class the solid Catholic teaching on these topics.

IF YOU DO NOT HAVE ENVELOPES

But would like a set issued to you for 2022, please **print your first and last name** on the list provided on the bulletin board. New envelopes will be distributed in December for the coming year.

SOLEMNITY OF CHRIST THE KING: SUN. 21 NOVEMBER

On this final Sunday of the Liturgical Year, we bring our adoration before Our Lord in the Most Blessed Sacrament of the Altar. We offer Him our loyalty as His subjects, and promise to promote His Kingdom while we are here on earth.

Following the 11 AM Mass, Our Lord will be exposed on the altar until 4 PM, when we will celebrate Vespers and Benediction of the Blessed Sacrament. Time slots of one-half hour each are posted on the bulletin board for you to spend with Him. Please take a moment to sign up for one of them.

PIE SALE NEXT SUNDAY AFTER MASSES

The Rosary Society and Our Lady's Sodality are joining forces with their rolling pins, pie tins and goodies to create pies for you to purchase for Thanksgiving! Bakers of the parish are asked to contribute to their efforts by donating homemade pies for the sale. Please bring your creations to the church basement when you come to Mass next Sunday.

ON OUR KNEES NOVENA FOR THE SCOTUS CASE DOBBS VS. JACKSON'S WOMENS' HEALTH ORGANIZATION

On 1 Dec. the Supreme Court will hear oral arguments in this case which challenges a Mississippi law which would prevent abortions after 15 weeks of gestation. The case will not be decided probably until June 2022. We are asked to join a nationwide prayer/fast on the 22nd of each month between now and that date. (The 22nd because that is the date of the original Roe v. Wade decision, legalizing abortion). On the 22nd of each month, pray and fast that the Justices will have the courage and conscience to end the 48 years of injustice and brutality that has caused so much death, heartbreak and guilt within our nation.

LISTENING SESSION WITH BISHOP LUCIA THU. 2 DEC.

As a part of the Synodal process which is taking place throughout the Church, Bishop Lucia invites you to share with him your thoughts, questions, and desires for the Diocese. The meeting is open to all parishioners, and will be held at St. Patrick's Church, Oneida, at 6:30PM.

EXCERPTS OF A TALK BY ARCHBISHOP VIGANO

It is precisely those who speak to you about gender equality, the right to “reproductive health”, to euthanasia, to surrogate motherhood and sexual liberty who today hold you all in their grip, deciding what is right for you in the name of “your good”, public health, or the protection of the planet. It is they who before too long will unite the *green pass* with your digital ID, with your bank account, with your tax, salary, social security and health status, and in doing so...“for your good”...they will be able to decide if you can work, travel, go to a restaurant, and buy a steak or rather some insects.

That freedom make you believe yo are “free”, while those who want you to be obedient slaves let you run around by lengthening the leash, giving the illusion of being able to do what you want, of having the “right” to abort, to live against the precepts of Christian morality, to be able to behave as if God did not exist, as if you would never have to present yourselves before Him on the day of judgment. But this is not freedom, it is license, it is libertinism. The freedom to damage your soul, certainly not the freedom to live honestly so as to merit paradise. True freedom is instead the ability to act within the limits of the Good, and this is the freedom to which you ought to aspire, this is the freedom that you ought to claim with courage and pride, the freedom that “will set you free”, (Jn. 8:32)...

The freedom you must claim is that of not supinely accepting the media narrative, the colossal fraud of an entire category subservient to the elite, engaged in spreading lies and censoring the truth, paid to support power and suppress dissent; the freedom to demand that journalists rediscover the dignity of professional ethics and conduct, and not the infamy of courtly enslavement to masters who can never get enough power.

The freedom of speech that you all should invoke, and above all those among you who have roles of responsibility or carry out professions related to the present emergency-doctors, paramedics, law enforcement, judges, politicians-and the freedom to expose the corruption, conflicts of interest, silence, complicity of a system based on deception, fraud, pshychological terrorism and the manipulation of the truth. The freedom to refuse one's consent to a crime against humanity being carried out with ruthless determination.

This is not a clash in which we can overcome the common enemy with human efforts alone: It is an epochal battle, in which what is at stake are the destinies of humanity as a whole as well as each of us individually, both in time and in eternity. And above all: the proponents of the Great Reset are intrinsically anti-Christian and anti-christic, because this “New Order” is nothing other than the infernal chaos. (11 Nov. 2021, to mandate protesters in Switzerland).
