**Tue. 21 September 7 PM Rectory**

Any child in second grade, whether in parochial, public or home-school, is to have at least one parent present for this meeting if your child is to be eligible for these Sacraments. Please bring your child's baptism certificate to the meeting if they were baptized in another parish.

**BUS FOR "THE FINAL STAND AGAINST MEDICAL TYRANNY" IN ALBANY. WED. 22 Sep. Bus leaves Rectory Parking lot at 8:30 AM. We should be back approx. 4 PM.**

Please sign the list on the bulletin board if you will go with us.

## **HOPE APPEAL 2021: "YOU ARE THE SALT OF THE EARTH"**

In your pews you will find an envelope in which you can make your donation to this year's Hope Appeal. You may make your contribution today, or take the material home, complete it and return it next weekend. God bless you for your generosity.

## **COFFEE & DONUTS NEXT SUNDAY AFTER MASS**

And the Rosary Society will also hold a Bake Sale. They ask all the women of the parish to bake something and drop it off before any of the Masses next Sunday.

While you are down there, check out our newly revamped **Parish Library**. God bless Hilda Moses and Rite Reilly for reorganizing our book collection. There will be books available for home-school teachers as well as the books for you to borrow for your own reading.

## **MARCH FOR LIFE WALK-A-THON SPONSOR FORMS**

The Walk-A-Thon supports the bus that we take each year to the March for Life in January. This is a great way for those who cannot go on the March to support it. Please take a sponsor form from the table in the vestibule and gather sponsors to donate to the cause.

The Walk-A-THON will be held on **SAT. 2 OCT. AT 9 AM at Church.**

## **THE RECTORY PHONE**

Recently I had to purchase a new phone for the Rectory as the battery on the former one was no longer replaceable. The new phone has a "screener" function on it, which is pre-installed on the phone. When you call, it will ask for your name before ringing the phone. One advantage: no more automated sales-pitch phone calls!!!

## A CALL TO ARMS

“The devil never sleeps” is becoming more and more evident as the culture war grows ever more intense. Now, perhaps in reaction to the decision of the Texas Supreme Court to allow the “Heartbeat bill” to stand, Satan’s agents have proposed a deceptively labeled law bill, “The Women’s Health Protection Act” (WHPA), which is anything but. This bill, H.R. 3755/S. 1975 would:

- invalidate any state law banning abortion at any stage of pregnancy, including laws that prohibit abortion based on race, sex, disability or other characteristics.
- pre-viability abortions would be allowed for any reason
- post-viability abortions would have no meaningful prohibitions attached, leaving the decision up to the “good faith” judgement of the “health care provided” (not necessarily a physician).
- would render invalid state laws that prohibit a particular method of abortion.
- would invalidate laws that would:
  - require that a physician perform the abortion
  - prohibit ultrasound laws
  - prohibit parental consent or notice laws
  - require a waiting period before an abortion
  - admitting privilege laws
  - laws that regulate prescribing, dispensing, or administering drugs for the purpose of inducing an abortion
  - laws regulating or restricting the use of telemedicine specifically in relation to abortion
  - health or safety regulations specific or abortion facilities
  - laws prohibiting government funding of abortions
  - laws authorizing the exclusion of abortion from healthcare insurance plans

Need I go on? There is much more to this bill that would make your blood boil, if it isn't already. It would even wipe out the “conscience clauses” that protect health care workers who object to the butchery from participating in the baby-killing.

If you want to totally ruin your day, you can read the full details in this witch's brew of legislation at USCCBPro-Life. There you will also find a link which will send a message of your disapproval of this bill to our NYS US senators and to Rep. Claudia Tenney, or whomever your Congressional representative is. Please do so NOW!!!

The only good thing that this whole matter indicates is that the forces of evil are desperate. They are adept at reading the signs that the pro-life movement is gaining ground and growing in strength. They are petrified that the SCOTUS is going to continue to roll back Roe v. Wade.

Please, Our Lady of Guadalupe, convert America before it is too late!
