DIOCESAN WOMEN'S CONFERENCE

This year, the Women's Conference is being held regionally, rather than one large meeting in Syracuse. Each regional Conference has its own roster of speakers. The Eastern Region (Utica-Rome area) Conference will be held on Sat. 13 November at St. Joseph's-St. Patrick's Church in Utica from 8:30 AM-12 Noon.

The main speaker for this gathering will be Msgr. Stephen Rosetti of our Diocese, who is currently an exorcist for the Archdiocese of Washington, D.C.

Archbishop Vignano on the Great Reset and the New World Order

“What has been happening for a year and a half had been widely announced down to the smallest detail, by the creators of the Great Reset themselves; just as we were told the measures that would be adopted. On Feb. 17, 1950, testifying before the U.S. Senate, the well-known banker James Warburg said, ‘We will have a world government, whether you like it or not. The only question that arises is whether this world government will be established by consent or by force.’

Four years later, the Bilderberg Group was born, which has counted among its members such as (Italian businessman Gianni) Agnelli, Henry Kissinger, Mario Monti, and the current Italian Prime Minister Mario Draghi. In 1991, David Rockefeller wrote, ‘The world is ready for a world government. The supranational sovereignty of an intellectual elite and world bankers is certainly preferable to national self-determination practiced in past centuries.’ And he added, ‘We are on the verge of a global transformation. All we need is the ‘right’ global crisis and the nations will accept the New World Order.’ Today we can affirm that this ‘right crisis’ coincides with the pandemic emergency, and with the ‘lockstep’ outlined since 2010 by the Rockefeller Foundation document “*Scenarios for the Future of Technology and International Development*”, in which the events we are now witnessing are all anticipated...

However, in order to understand this alliance between civil and religious power, it is necessary to recognize the spiritual and eschatological dimension of the present conflict, framing it in the context of the war that Lucifer, ever since his fall, has waged against God. This war, whose outcomes have been decided *ab aeterno* with the inexorable defeat of Satan and the Antichrist and the overwhelming victory of the Woman encircled with the stars, is now approaching its conclusion. This is why the forces of darkness are so wild at present, so impatient to cancel the name of Our Lord from the earth, to not only destroy His tangible presence in our cities by tearing down churches, demolishing crosses and suppressing Christian holidays; but also by eliminating memory, cancelling Christian civilization, adulterating its teaching, and debasing its worship. And, in order to do this, the presence of a faithful and courageous Hierarchy, ready to suffer martyrdom in order to defend Christian faith and moral teaching is certainly an obstacle. This is why, from the very initial phase of the globalist plan, it was essential to corrupt the Hierarchy in morals and doctrine, to infiltrate it with sleeper cells, to deprive it of any supernatural yearning, and to make it vulnerable to blackmail thanks to financial and sexual scandals.”
