ST. JOSEPH SOCIETY MEETING: THU. 5 JAN. 7:00 PM

Let's have a nice turn out of guys!

FIRST FRIDAY (6 JAN.) AND FIRST SATURDAY (7 JAN.)

Reparation is so desperately needed in our time when evil just seems to abound more and more. You can appease the Sacred Heart of Jesus and the Immaculate Heart of Our Lady by offering Holy Mass on these days consecrated to them. Time is getting short! Don't neglect it!

EPIPHANY WATER

On the eve of the true Feast of the Epiphany (6 January), the Church has traditionally blessed Holy Water with a solemn blessing, asking God to give this water the power to cast out demons, cure illness, bestow health and protect the faithful from all manner of evil. This water is blessed on the eve of the Epiphany (5 January), and will be available for you to take to your homes on the 6th of January.

MARCH FOR LIFE SYRACUSE SAT. 14 JANUARY 12 NOON

Since there is nothing planned in Albany at this time, we will go to Syracuse to join the March for Life there. We will charter a bus, so please sign the list on the bulletin board, **only if you are committed to going**. Please list each person on a separate line. We will leave from the Rectory parking lot at 10:30 AM, and will return by 2 PM.

YOUNG MAN LOOKING FOR LODGING

The Pastor has been receiving emails from a 28 year old man who is going to relocating to the area as he pursues his Air Force studies at Rome Air Base. He is looking for a room to rent or to share an apartment with another guy. He is a traditional Catholic (attends the Latin Mass). If you may have something to offer him, contact me and I will put you in touch with him.

From Archbishop Carlo Maria Vigano

“A large scandal has been created, as well as discouragement, upon learning the news of the gala event hosted by President Donald J. Trump for openly homosexual supporters of the Republican Party. This endorsement of LGBT ideology is even more serious when one considers that, only two days previously, Joe Biden signed the “Respect for Marriage Act”, which recognizes the legal validity of so-called homosexual marriages in the United States, in violation of the Natural Law and also of the Law of God.

The Democratic Party is totally anti-Christian and obstinately determined to implement the globalist agenda of the New World Order. On the other hand, the Republican Party is recklessly pursuing a minority of voters who are indulging in lifestyles that are contrary to the Commandments and to the common good. American Catholics find themselves today in the impossible situation of being represented by a political class that is revealing itself to be completely incapable of representing and expressing Catholic convictions in moral and religious matters. This causes voters to become disaffected, which is added to electoral fraud and scandals that are emerging about media censorship and the manipulation of electoral consensus.

Up until now, certain aspects of the political platform of the Republican Party were able to be overlooked to some extent due to the much more serious threat embodied by the Democratic Party. But it is now evident that the action of the deep state has contaminated the entire political elite without distinction, even involving Donald Trump, who up until now seemed to be a source of hope for the future of the United States.

A nation that offends the Law of God cannot hope to be blessed by the Lord, and those who support sinful lifestyles ought to think of the Judgment that awaits them rather than pleasing those who are corrupt in a calculated effort to win votes. This nonchalance in political action by Republicans is no less harmful than the opposition to the perennial Magisterium of the Church on the part of Democrats. I urge American Catholics to pray, asking the Lord to enlighten politicians of sound principles, urging them to fight with courage for the defense of the Natural Law and the Commandments of God.
