**NYS BISHOPS' MASS FOR THE EUCHARISTIC REVIVAL**

Since there are so few who have signed up to go the Mass in Auriesville on Sat. 21 Oct., we will not be chartering a bus to take you there. As I mentioned last week, the bus companies are all booked for that weekend anyway. If you would like to attend the Mass, or any other part of the weekend, you must pre-register. Go to the website for the Eucharistic Revival: [nyseucharisticcongress.org](http://nyseucharisticcongress.org).

**DIOCESAN WOMEN'S CONFERENCE: SAT. 11 NOV.**

*"Thy Kingdom come, Thy will be done: Preparing for the Eucharistic Reign"* is the theme of this year's Conference. We would like to sponsor a table of 10 women to attend, but we must pre-reserve this table, so if you would like to attend, please let the Pastor know so that he can send your names and registration fee in to the Conference coordinators.

Speakers this year are Immaculee Ilibagiza, survivor of the Ugandan massacre; Daniel O'Connor and Fr. Joseph Esper. The Conference is held in Syracuse at the ONCenter, and will begin with Mass with Bishop Lucia, Adoration of the Blessed Sacrament and Confessions.

## WHY?

Why is it that when archeologists find human remains, they always determine that they are either male or female and none of the other hundreds of genders?

How is it that the government can't control gasoline prices, but the weather is something they can?

If kids knew what they wanted to be age eight, the world would be filled with cowboys, sports stars and princesses. I wanted to be a pirate. Thank goodness nobody took me seriously and scheduled me for an eye removal and amputation of my leg.

Why were we told to lower our AC usage on hot days to prevent overwhelming the electric grid while simultaneously being told to trade in our gas cars for electric vehicles?

Why is cancelling a student debt a good idea? Does it make sense to reward people who do not honor their financial commitment by taxing the people who do?

Does it make sense to cut off oil from an ally and buy it from an enemy who calls for your death?

Are we living in a time when intelligent people are silenced so that the stupid people won't be offended?

Is this a great description of America?: Andy has left town and Barney is in charge. (You must be of a certain generation to understand this one).

Why is talking sexually in the workplace considered sexual harassment to adults...but talking about sexuality to children in K-3 at school is considered educational?

Who else had a Ministry of Truth?: Hitler...Goebbels...Stalin.

Eliminating the production of 500,000 barrels of oil a day to buy 500,000 barrels a day from Russia is simply...well...stupid.

I saw a movie where only the police and military had guns: it was called Schindler's List.

If your electric car runs out of power on the interstate, do you walk to a charging station to get a bucket of electricity?

Why are we running out of money for Social Security and Medicare and not for welfare, illegals and free college?

I just go a full tank of gas for \$22. Granted, it was for my lawnmower, but I'm trying to stay positive.

There is a coin shortage. America is running out of common sense!

If an 18 year old is not old enough to own a firearm, then maybe 5 year olds aren't old enough change their gender.

Sign in Texas: DON'T VOTE FOR WHAT YOU FLED.

Nobody called it "Toxic Masculinity" when we were saving the world.

The most powerful governments on earth can't stop a virus from spreading... but they can change the earth's temperature if you pay more taxes.

Want to stop drunk drivers from killing sober drivers? Ban sober drivers from driving. That's how gun control and COVID lockdowns work.

If socialism is so good and capitalism is so bad, why aren't the caravans heading to Venezuela?
