HAPPY MOTHER'S DAY TO THE MOST WONDERFUL

There are not enough ways to express our love, gratitude and thanks to the amazing women who are Mothers. You'd have thought the Pastor would have remembered to put the Mother's Day cards out in time for you to have them for your Moms. But he did not...until this week. So, they are there for you to get today and give them to your Mother. The 11 AM Mass this Sunday will be offered for all the Mothers of our parish, and those whom you wish to have remembered in this Holy Mass. I apologize for my forgetfulness.

At any rate, the Rosary Society is offering all Mothers a free cupcake today after Mass, along with their cupcake sale. And we offer a carnation to all Mothers of the parish to express our love for you.

SOLEMNITY OF THE ASCENSION OF OUR LORD: THU. 18 MAY "Ascension Thursday". A Holy Day of Obligation.

Anticipated Mass: Wed. 4PM; Thu. 8AM Latin Mass, 12 Noon & 7PM.

INCREASE IN MASS STIPENDS ANNOUNCED BY BISHOP

A stipend is the offering that is made for the offering of Holy Mass. It is not "buying a Mass", (which cannot of course, be bought). By offering a stipend, the donor expresses his/her will to be united to the offering of the Sacrifice, and the priest is obligated in justice to apply the donor's intention to the Mass. For many years now, the offering has been \$10 in our Diocese. Bishop Lucia has now determined that beginning 1 July 2023, the offering in the Diocese of Syracuse will be \$15. Stipends do not go to the priest, as they once did, as his means of sustenance, but go to the general fund of the Church.

PARISH "COUNSEL" MEETING: THU. 24 MAY 7 PM RECTORY

Any parishioner is welcome to these open meetings and help in the planning and smooth functioning of the parish. You are also welcome to ask questions or make suggestions for the good of the parish.

CONGRATULATIONS TO MARGE HENDRY

Marge has completed a five-year Master's Degree program with the Augustine Institute, based in Colorado. The Degree was bestowed on her in Colorado last Sunday. She and her husband Rob made the trip by train to attend the graduation ceremony. God bless you, Marge.

PARISH DINNER SIGN-UP

The list is filling fast for the Parish Dinner, which will be held on Thu. 8 June at 6 PM at Theodore's in Canastota. Our speaker will be Sheila Austin, who is the Director of the Emmaus Ministry in Syracuse.

This year, the dinner is free, as we are celebrating our liberation from the restrictions imposed on us during the plandemic. We are however, limited to 250 people, so sign up now. Please list only one person per line on the list. Of course, this is for parishioners only.

HOPE IS FUEL

Today, perhaps more than ever, many people are struggling with anxiety, depression, and other psychological issues amid a “crisis of truth and hope”. Faithful Catholics are not immune to this, and so Patrick Coffin, an internationally known Catholic speaker and podcaster, has created “Hope is Fuel: Catholic on Purpose” as an online event to help Catholics through the crisis.

The first Hope is Fuel summit took place on 18 March 2023, and dealt with the issues of anxiety and depression. It featured seven clinicians talking from various points of view about cell phone addiction, about tools and tactics to navigate anxiety, depression and feelings of despair.

The next Hope is Fuel session will be held on 24 May 2023, and will feature a wide range of classes held by well-known Catholic speakers. From the website of the conference, here is a description of the content: “This one of a kind online course addresses issues like these: how to fall in love with the Bible again, staying grounded in prayer and the Sacraments, cultivating strong marriages, countering woke ideology along with transgenderism and the LGBTQ+ movement, the proper role of the layman in the Church, understanding patriarchy and feminism, how to spot logical fallacies, how to defeat porn addiction once and for all, the meaning of the Mass, how to evangelize and so much more.”

The format consists of 40 classes, which you can view on your own time. Each class is conducted in an informal interview style.

Patrick Coffin was born and raised in Canada. When he was 16, he had a conversion, but it wasn't until later in life that he began to take his Catholic faith seriously. He went on to earn a Master's degree in theology from a Catholic university. His first book is entitled, “The Contraception Deception”, a defense of the Church's teaching on sexuality.

To register for the session, please go to the website: [Hopeisfuel.com](https://hopeisfuel.com)
By using the code LITESITE20, you will get a \$20 discount on the price.
