PARISH DINNER DATE: THU. 8 JUNE 2023 6 PM THEODORE'S IN CANASTOTA

We are giving everyone plenty of time to keep their calendar clear for the resumed Parish Dinner, which we have not been able to hold for the past two years due to our captors' restrictions on our freedoms. Now, it is time to celebrate and return to normal!!! We are counting on you being with us, as one big parish family. Don't disappoint us. More details will be forthcoming in future bulletins.

SHE JUST WON'T GIVE UP

On 11 April, Governor Kathy Hochul the Horrible announced that she was expanding abortion in NYS by stockpiling 150,000 doses of Misoprostol, the abortion drug, for use in the state. This she did in reaction to several court rulings which have restricted the mail-ordering of the drug by several federal judges. She also announced that she will add another \$20 million in taxpayer money to the \$35 million she has already appropriated to cover abortions. She will also require health insurers to cover the cost of the drug.

This lady is truly a demon from hell...who claims she is a Catholic!

FROM ARCHBISHOP VIGANO'S EASTER MESSAGE

The modern world is held hostage by lies. Everything that is theorized by the elite, affirmed by the institutions, and propagandized by the media is a lie, a falsehood and a deception.

The psychopandemic emergency is a lie, all on account of a virus created in a laboratory for the sake of a mass vaccination that is as ineffective as it is harmful to health. Gender theory is a lie, which denies the distinction of the sexes willed by the Creator, and which seeks to cancel the image and likeness of God in man. Climate change is a lie, based as it is on the false premise of man-made climate crisis and on the even more false chimera that the reduction of carbon dioxide emissions in certain countries can even minimally change the earth's temperature. The Ukrainian crisis is a lie, which was provoked in order to destroy the social and economic fabric of European nations through unreasonable sanctions against the Russian federation. The Agenda 2030 is a lie, which is being imposed by a gang of subversives in order to enslave humanity. Woke ideology is a lie, which causes the cancellation of our identity, our History, and our Faith in order to impose the infernal religion of the New World Order and the barbarism of the Great Reset.

What is most disconcerting is that this fraud against the peoples-perpetrated by those in authority who ought to instead be protecting and defending them-has also infected the ecclesial body (i.e. the Church), where other no less serious falsehoods corrupt the purity of the Faith, offending the Divine Majesty and causing the damnation of many souls, whom the Lord has paid for dearly, redeeming them with His Most Precious Blood. Ecumenism is a lie, which abases the Living and True God to the level of the idols of the nations.

The Synodal way is a lie, which subverts the divine constitution of the Church intended by Christ under the false pretext of listening to the People of God. The the liturgical reform is a lie, introduced with the excuse of making the Mass understandable to the faithful, with the sole intention of taking honor from God and pleasing the heretics. The feminine diaconate is a lie, which with the alibi of giving a role to women attacks the Mass and the Sacraments and tampers with the Holy Orders instituted by Our Lord. The possibility of the divorced and cohabiting couples receiving Holy Communion is a lie, the blessing of homosexual unions is a lie, the entrance of transsexuals into the Seminary is a lie.....
