THIS WEEK AT OUR LADY OF GOOD COUNSEL:

FATHER'S DAY MASSES

Have you taken a card for your Dad/Husband from the table in the vestibule? Each of our Masses this Sunday are offered for those whose names are on the envelopes provided there. Simply put them in the collection basket at Mass today.

BABY BOTTLE RETURNS TODAY

Did you remember to bring back the baby bottle that you took to fill with your loose change for the mobile ultrasound machine that visits abortion clinics in our area? If you forgot, please return it to church sometime this week so that the proceeds can be returned to the organization.

HOLY HOUR OF REPARATION AND PETITION: THU. 22 JUNE 7 PM

June is the month of the Sacred Heart of Our Lord, and has been hijacked by the sodomites as "Gay Pride" month. We want to make reparation to Our Lord for this outrage. We also see what is happening to our great nation with the weaponization of federal agencies to target private citizens who disagree with the administration. Our children are being mutilated, indoctrinated and exploited. The war in the Ukraine shows no sign of abating. And the Church....well, we all know the sad story there. Let us come before Our Lord in the Blessed Sacrament and ask Him, Who alone can deliver us from these, to be merciful and sparing of us.

HOLY ROSARY AT PLANNED PARENTHOOD, FRI. 23 JUNE

Please consider joining us at the Planned Parenthood baby extermination center on Genesee St. at 11 AM, where we will pray the 15 decades of Our Lady's holy Rosary to convert the mothers, fathers, promoters and staff of this organization.

COFFEE & DONUTS NEXT SUNDAY, 25 JUNE

This will be our last Coffee & Donuts offering until fall. Please join us.

HOPEFULLY WARM WEATHER IS ON THE WAY!

When we come to Holy Mass in the hot weather we want to be cool and comfortable, but dressed in a manner that shows we are giving Our Lord worship. Therefore, please do not wear shorts, backless tops, low-cut tops, tight-fitting pants or tops, or T shirts to Holy Mass. God bless you. You parishioners are very good about this, but it is our visitors....
oh my!

ARCHBISHOP VIGANO SPEAKS OUT

June now sees the busting out of “gay pride” all over our once beautiful and morally sane land. In Georgetown DC, the Jesuit parish of the Holy Trinity is offering a Pride Mass, as are so many other “Catholic” churches. In our own Diocese, All Saints' Church in Syracuse boldly hoisted the “Gay Pride” flag on its flagpole. Your Pastor and several parishioners asked our Bishop to order the flag removed from the flagpole in front of the church.

Rare is the Bishop who has enough faith, sense of duty and love for his parishioners that he would take action to protect his flock from such scandal. Of course, the vilified Archbishop Vigano has issued this wonderful statement regarding the Georgetown Mass:

“It brings me great sorrow to learn that the clergy of the Archdiocese of Washington prefer to remain slavishly silent to this umpteenth sacrilege, in which the holy sacrifice is sacrilegiously used as a propaganda tool for a sin that cries out for vengeance before God, while the souls of so many poor sinners are confirmed in vice. But even greater is the pain of seeing the Most Blessed Sacrament profaned-during the Octave of Corpus Christi and two days before the Feast of the Sacred Heart of Jesus-by admitting to Communion people whom pastors should instead admonish and direct toward a path of true conversion and fidelity to God's will.

Pastors led astray by homo-heresy should remember that, when they stand before the throne of God to be judged, they will have to give an account to Our Lord for the souls who, because of them, have been damned for eternity: souls for whom He shed His own blood on the Cross. By confirming these poor souls in mortal sin, they have usurped the authority of Christ and the authority of the Church for a purpose opposite to that which Christian charity demands, demonstrating thereby their own moral corruption, along with that of those who let them act undisturbed to scatter the flock entrusted to them...

In this bleak landscape of apostacy and rebellion against God's commandments and the natural law, the aversion to Christ's truth by these unfaithful priests should bring home to Catholics the gravity of the situation of the Church in the United States of America, moving them to prayer, fasting and penance that the divine majesty grant His Church holy shepherds inflamed with love for the Lord and for souls, and remove the servants of the Antichrist from the sacred precincts.”
