OUR LADY'S SODALITY HAD A BUSY WEEK

The young women of Our Lady's Sodality went to Planned Parenthood in Utica this Wednesday, where they were able to get a tour of the mobile ultrasound unit that has persuaded so many women not to abort their children. The mobile unit is from New Hope Family Services and provides the ultrasounds free and gives the women immediate results. This would be a worthy charity to support as a Lenten alms: You may send your donation to New Hope Family Services, 3519 James St. Syracuse, N.Y. 13206

On Thursday, they spent half of the day helping the Karing Kitchen in Oneida prepare and serve meals for the needy. What a beautiful witness these girls give to our Faith. God bless Cindy van Lieshout and her assistants who plan and carry out these works of mercy!

PLEASE WRITE A NOTE OF APPRECIATION TO BISHOP LUCIA.

This Tuesday, a papal rescript was issued which limits even more stringently the Latin Mass offered in our parish churches. The pastor was called in to meet with His Excellency on Thursday to discuss the repercussions for our parish. The Bishop said he will apply to the Dicastery for Divine Worship, the Vatican agency that oversees the Latin Mass in the Church, for permission to continue as we have been. His Excellency was most gracious and is very supportive of the Latin Mass in our diocese. It would be very advisable to write the Bishop, thanking him for his support: His Excellency Most Rev. Douglas Lucia, Bishop of Syracuse, 240 E. Onondaga St. Syracuse, NY 13202. God bless you and thank you. Please pray, pray, pray that he receives a favorable reply from Rome, (not at all assured).

Soldiers of Christ: Take Action Again!

Once again, the elites are targeting our children. A bill has been introduced into the New York State Legislature (A2178) which would require COVID shots for all daycare, pre-K and K-12 grade students. The bill has been introduced by Democrat Rep. Jeffrey Dinowitz.

Governor Kathy Hochul has said repeatedly that she wants mandatory shots to attend school and so has New York City Mayor Eric Adams. With two such influential persons pushing this agenda, don't think it can't happen. Most people with religious exemptions for their children in 2019 did not expect that they would be repealed either.

Please contact the State Representatives and let them know that you oppose this bill. The representative listed below represent most of the parishioners here, but some of you may fall into other districts, so please find out your Assemblyman and Senator, and contact their office.

Most Democrats are avoiding any questions about this issue, which says a lot about where they stand. If your representative is a Democrat, press them to give you a response.
